

How to stay on the right path?

Allah, the Glorified, has sent down a guiding Book "Quran".
where He has explained virtue and vice.

Sura al-Hajj
Aya 1
يَا أَيُّهَا النَّاسُ اتَّقُوا رَبَّكُمُ إِنَّ زَلْزَلَةَ السَّاعَةِ شَيْءٌ عَظِيمٌ
O' Mankind! Adapt the course of virtue to your Lord, when the convulsion of the Hour comes (end of the world) it will be destructive force of unimaginable proportion

We should get help from Imam Ali ibn Abitaleb, Amir Al-Mo'menin (a)
From sermon 166/ or in some books 167

Allah sent you the Quran Where He has explained Virtue & Vice.

"Fulfilment of rights and obligations, and advice to fear Allah in all matters."

You should adopt the course of virtue whereby :

- you will have guidance,
- and keep aloof from the direction of vice
- so that you remain on the right way.

(Mind) the obligations

Fulfil them for Allah and they will take you to Paradise.

Surely, Allah has made unlawful the things which are not unknown and made lawful the things which are without defect.

He has declared paying regard to Muslims as the highest of all regards. He has placed the rights of Muslims in the same grade (of importance) as devotion (to Himself and His oneness).

Therefore, a Muslim is one from whose :

- His tongue and hand every (other) Muslim (or non Muslim) is safe and saved in the matter of truth.
- It is not, therefore, lawful to mistreat Muslim or non Muslim.

From sura Al-Shora
Aya 48
We learn if you want To carry this heavy weight Of authority which Adam Accepted We must have:

- Knowledge
- Fairness & justice

The opposite of these Will not get us there And they are:

- Ignorance
- Injustice, / oppression /or tyranny
